

TWICE PROVEN

If you suffer backache, sleepless nights, tired, dull days and distressing urinary disorders, don't experiment. Read this twice-told testimony. It's Barre evidence—doubly proven.

George I. Beckley, Hill and Liberty streets, says:

"I used Doan's Kidney Pills for a lame and aching back, and they did me a world of good. My kidneys had been giving me annoyance, but Doan's Kidney Pills fixed me up."

OVER A YEAR LATER, Mr. Beckley said:

"Whenever I have any symptoms of kidney complaint, Doan's Kidney Pills never fail to cure the attack."

Price, 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Beckley has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

FINED FOR EVADING FARE.

Middlebury Man Said His Chum Had the Mileages.

Burlington, March 18.—Harry Bruseau, a Middlebury boy who said his age was 21, and his occupation a painter, was fined \$5 and costs in city court yesterday upon his plea of guilty to the charge of attempting to ride on a passenger train without fare.

The court suspended the fine on his promise to pay the costs of prosecution within 30 days.

In justification Bruseau explained to the court that he really hadn't meant to ride free; that he had come here with one Elmer Wolcott of Middlebury, who had the mileage and money, and was doubtful at the moment of riding around town with them in his pocket. Frank H. Tupper, assistant station agent here, said that Bruseau told him that he had mileage and money but that he couldn't find them.

There is more Catarrh in this section of the country than in any other. It is a disease that is incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, etc.

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

The appointment of D. R. Stetson as postmaster at Newport has been confirmed by the United States Senate.

The 121st annual conference of Congregational churches is to meet in Bennington May 16 to 18. The general topic will be: "The Christian Church and People, and the New Day."

James A. Stacy of White River Junction has given to Superintendent of School N. J. Whitehill the sum of \$25, to be used as prizes at the close of the school year, hoping in this way to encourage scholarship and good conduct.

It is not improbable that before long Wolcott will have a free library, as a meeting has been called of those interested to see what can be done. Seventy books belonging to the town and kept at the parsonage have had a circulation of over 500 in the past year.

Monday, March 13, was the 145th anniversary of the old Westminster church massacre, which occurred on March 13, 1775. In the death of William French Westminster claims the first blood shed of the Revolution. Daniel Holton was also seriously wounded and died within a few days. At the time of the massacre, Westminster was a shire town and the court house stood at the top of the court house hill, a few rods east of the cemetery in which a monument with an appropriate inscription has been erected.

The forty-ninth annual encampment of the department of Vermont, G. A. R., will be held in Burlington, Tuesday and Wednesday, April 18 and 19.

The formal opening of the encampment will be in city hall, Tuesday, April 18, at 10 o'clock. The order of business will be as follows: Opening of the encampment; roll call of officers; report of committee on credentials; roll call of representatives; reports of officers; appointment of committees; reception and reference of communications from individuals; reports of committees; election of officers, representatives and alternates to the fifty-fifth annual encampment; installation of officers.

Headquarters will be established at the Van Ness, Monday, April 17, at 7 o'clock p. m. The council of administration will meet at headquarters, Monday evening at 7:30, to audit the account of the assistant quartermaster-general, assistant adjutant-general, C. D. Williams, J. M. Safford and A. C. Stoughton, post No. 2, and Edward Baker, post No. 13, will constitute the committee on credentials to prepare the roll of the encampment. Representatives and members of the encampment are requested to report on arrival promptly to this committee, so that the roll may be made as complete as possible.

Commander-in-chief E. R. Monfort and other prominent members of the G. A. R. are expected to be present.

A reception will be given by the officers of the Woman's Relief corps department of Vermont to the national and department officers and comrades of the G. A. R., Spanish war veterans, Sons of Veterans, Ladies of the G. A. R., and their auxiliaries and citizens, Monday evening, April 17, at the Van Ness house. A campfire will be held Tuesday evening, under the auspices of Stannard post No. 2, to which the public is invited.

The commander of Stannard post will detail an officer of the day, an officer of the guard and three sentinels for the encampment; also a committee of arrangements for the campfire.

WINOOSKI FACTORY SOLD.

Stevens Machine Shops Bought by the American Woolen Company.

Burlington, March 18.—Deeds were filed yesterday transferring the entire property of the estates of the late Alonzo J. Stevens and Charles H. Stevens at Winooski.

John J. Flynn, who recently purchased this property, has sold it to Henry P. Benney of Canton, Mass.

The sale includes all real estate, water power privileges, machine shops and power equipment at Winooski. Mr. Flynn recently purchased it of the administrators of the Stevens estates, Theodore T. Hopkins and Clark A. Root.

It is said that Mr. Benney purchased it for the American Woolen company. The Stevens machine shops were founded some 50 years ago, the late A. B. Edwards and A. J. Stevens being the original owners. In 1898 the late Frank Jubel became a partner.

The original plant was practically destroyed by fire in 1898, but in the following year, Charles H. Stevens, son of the elder Stevens, reopened the business and conducted it until his death.

Real estate owners, now open your eyes. Investigate, study and thus become wise, to the fact that

Bishopric Wall Board

is better than lath and plaster, saves 40 per cent. in construction, renders 100 per cent. in service. Any weather is good building weather when you use Bishopric Wall Board and Sheathing. Bishopric Roofing is self-protecting and requires no paint.

It beats all other kinds of roofing that is made. And those who have tried it all seem to agree. It drives everything else away into the shade. Of the elm or the old apple tree.

HOW TO GET RID OF CHRONIC DANDRUFF

The only sure way to get permanently rid of dandruff is to remove the conditions that cause it and then keep the hair and scalp in a clean, healthy, vigorous state so dandruff will never return. This means shampooing, which merely removes the dandruff for a few days at most. The Red Cross Pharmacy is now strongly recommending Parisian Sage, a harmless, inexpensive and quick acting preparation, that is guaranteed to act directly on the cause of dandruff and entirely remove it or the purchase price will be cheerfully refunded.

Here is a test no one should fail to try. Get from your druggist a package of Parisian Sage. Rub a little of it into the scalp with the finger tips and see for yourself how the dandruff disappears, the hair stops falling out and all itching immediately ceases. Nothing hurts the scalp more than dandruff, so why not begin using Parisian Sage to-day and be forever rid of it—Adv.

Spring's Invitation.

"How I dread the spring! It means house-cleaning; a domestic upheaval from garret to cellar," says mother.

"There is just one thought uppermost in my mind in the spring," remarks father. "The gas and coal bills will grow smaller by jumps."

"I cannot do anything in the spring—have that tired feeling, you know," sighs mother. How utterly blind and shortsighted we are! Here is an open door into a beautiful spring world. A charming hostess invites us to enter her home and share its delights. We shrink from crossing the threshold, and make many and foolish excuses, while Madame Nature shows us the ravishing sight of a world just waking from its winter nap, a world as fresh and winsome as the face of an unspoiled child.—Harriet Woodward Clark in the Country-side Magazine for March.
